MEMORANDUM FOR THE RECORD

SUBJECT: NIC/AG's [] Interest in Library of Congress 25X1

1. [] made a query back on 19 December 1983 about the possibility of his talking with Library of Congress employees in a continuing research effort on a drug money flow study he is doing for NIC. Initial queries determined that LOC personnel were unavailable until 1984. [] remains interested in talking with them at the earliest possible opportunity. Specifically, he is interested in the LOC's law library which has European and Hispanic Law Divisions engaged in evaluating laws of foreign countries. He wants to obtain "experts' independent views." The countries of interest to him are:

2. Christmas leaves and higher priority activity have delayed [] quest to the point where he should be given as prompt assistance as possible. If C/LD can find someone to follow up on this, [] would be most appreciative.
